After completing its 5th session in Prishtina 21 February, the Kosovo Property Claims Commission (KPCC) has already adjudicated some 5,749 out of some 39,171 property claims submitted to the Kosovo Property Agency (KP). The Agency will continue its work resolving the remaining 33,422 claims for private immovable property originating from 1998-1999 armed conflict.

The 5,749 claims decided thus far amounts to 14.7 percent of all claims which have been submitted to the KPA. 98.5 percent of the decided

claims are related to agricultural properties, 1.3 percent are related to residential properties and 0.2 percent are related to commercial properties.

On its last session the KPCC decided some 2,403 property claims. It is expected that the KPCC which was inaugurated in June 2007, will finalize the adjudication of all property claims submitted to the KPA in early 2010.

Kosovo Property Agency

The KPA was established on 4 March 2006 by UNMIK Regulation 2006/10 which was later superseded by UNMIK Regulation 2006/50. The KPA has, subject to appeal to the supreme court of Kosovo, exclusive jurisdiction resolve claims for private immovable property arising from the 1998-1999 armed conflict.

KPA Gazette is printed and distributed with support from the governments of Belgium and Switzerland.
