## **LEGAL FRAMEWORK**

1. On 13 June 2008, Law No. 03/L-079 adopting and amending UNMIK Regulation 2006/50 (“UNMIK/REG/2006/50”) on the resolution of claims relating to private immovable property, including agricultural and commercial property entered into force in Kosovo. The Law included an annex (“Annex I”) adopting and amending UNMIK Administrative Direction No. 2007/5 (“UNMIK/ADM/DIR/2007/5”), which implements UNMIK/REG/2006/50. Law No. 03/L-079 and Annex I established the Kosovo Property Agency (“KPA”) as an independent agency and amended certain provisions of UNMIK/REG/2006/50 and UNMIK/ADM/DIR/2007/5 as necessary to effect the change in the applicable legal framework. In accordance with their terms, Law No. 03/L-079 and Annex I entered into force upon their publication in the Official Gazette.

2. Pursuant to section 22 of UNMIK/REG/2006/50 the Regulation ceased to be in force after 31 December 2008. Accordingly Law No. 03/L-079 is presently the sole source of the Commission’s statutory authority. The provisions of UNMIK/REG/2006/50 remain relevant to the extent that they have been incorporated by reference to Law No. 03/L-079.

## **REASONS FOR THE DECISION**

3. A claimant or the property right holder, as the case may be, is entitled to an order from the Commission for repossession of the property, if the claimant proves:

- (a) ownership of private immovable property, including agricultural and commercial property; or
- (b) a use right in respect of private immovable property, including agricultural and commercial property,

where the claimant or the property right holder, as the case may be, is not now able to exercise such property rights, and where the claim involves circumstances directly related to or resulting from the armed conflict that occurred in Kosovo between 27 February 1998 and 20 June 1999. (See section 3.1 of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079.)

4. Where the claimant makes an ownership claim pursuant to section 3.1(a) of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079, the Commission must resolve the issue of ownership and, if ownership is proven to the satisfaction of the

Commission and the claimant does not indicate otherwise, make an order for repossession in favour of the claimant or the property right holder, as the case may be. Where the claimant makes a claim for a property use right pursuant to section 3.1(b) of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079, the Commission may consider the claim in a summary procedure and make an order for recovery of possession. (See section 3.1 of UNMIK/REG/2006/50 read together with section 9 of Annex III of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079.)<sup>1</sup>

5. The Commission held its thirtieth session from 3 to 5 September 2012 in Prishtinë/Pristina. A total of 1,482 agricultural property claims were submitted by the Executive Secretariat of the KPA (the "Executive Secretariat") to the Commission at its thirtieth session, together with supporting documentation, claims processing reports, verification reports, and other relevant information. A total of fourteen agricultural property claims which had been presented to the Commission were referred by the Commission back to the Executive Secretariat during the session, and seven agricultural property claim which had been presented to the Commission were withdrawn by the Executive Secretariat during the session. The Commission suspended the consideration of seven agricultural property claims pending the holding of an oral hearing. In addition, the Commission resolved two claims which had previously been suspended pending the holding of an oral hearing. In sum, a total of 1,456 agricultural property claims were resolved by the Commission during the session.

6. At the Commission's session, the Executive Secretariat presented the claims to the Commission and reported on the processing of and the legal and evidentiary issues raised by the claims. At the Commission's request, the Executive Secretariat provided additional information and explanations, as required.

#### *A. Ownership claims*

7. In all of the claims covered by the present decision the claimants seek the resolution of an ownership claim. All claims relate to agricultural properties, including agricultural land, pasture and forests.

8. The present decision deals with 909 agricultural property claims. The remaining 547 agricultural property claims are covered by decisions KPCC/D/A/163/2012 and KPCC/D/A/164/2012.

9. A total of 483 of the 909 claims covered by this decision have not previously been considered by the Commission, while 426 of these claims were the subject of an earlier Commission decision. However the earlier decisions in these 426 claims were overturned by the Commission either on account of an incorrect notification of the claimed properties during claims processing by the Executive Secretariat or on account of other processing errors by the Executive Secretariat which were identified

---

<sup>1</sup>There appears to be a technical error in Annex I. While Annex I clearly appears to be intended to replace UNMIK/ADM/DIR/2007/5 in its entirety, including its all three annexes, Article 26 of Annex I provides that the title of Annex III of UNMIK/ADM/DIR/2007/5 shall be replaced by a title referring to Annex II. However, there is neither specific provision nor any other indication in Law 03/L-079 or its Annexes that the intention of this particular amendment was to delete Annex I or Annex II of UNMIK/ADM/DIR/2007/5. Accordingly the Commission considers that all three Annexes of UNMIK/ADM/DIR/2007/5 are included in the legislative package and will be referred to by the Commission in this decision as Sub-Annexes I, II and III, respectively.

after the decision had been taken. These claims consequently stand to be re-determined following correct notification of the claimed property and correction of the other processing errors. Evidence and information provided by any respondents to the claim or any current occupants of the claimed properties is taken into account by the Commission in the re-determination of the claims. In the claims in which previous decisions have been overturned by the Commission, the Executive Secretariat has written to each claimant advising them of the notification error and informing them that their claims will be re-determined following correct notification of the claimed property. The claimants, as well as the relevant cadastral authorities, have been advised that the previous Commission decisions are invalid and cannot be used for the purposes of any legal transaction.

10. The Commission notes that all 909 claims covered by the present decision are uncontested in the sense that at the time the claimed properties were notified there was no evidence of illegal occupation, use or cultivation of these properties by any person or, even if there was such evidence, no party has contested the validity of the claim within the 30-day period prescribed in section 10.2 of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079, or at any later stage during the proceedings, pursuant to section 10.3 of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079. Decisions taken in claims that were incorrectly notified have been overturned by the Commission to ensure correct notification of the claimed property and provide any persons who may have a legal interest in the property with an opportunity to respond to the claim pursuant to section 10.1 of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079. These claims are identified in the relevant columns in the Schedule to this decision. The Executive Secretariat has notified the claims in a variety of ways including through the physical notification of the property and/or through notification of the property via publication in a gazette and in newspapers, through local municipal authorities, municipal courts, and local village leaders and through other relevant institutions in Kosovo and Serbia. In Claim Nos. 24532 and 52439 the claimed properties were initially wrongly notified and on each of these properties the notification team of the Executive Secretariat located a person occupying the property. In each claim, this person refused to sign the notice of participation. Based on the information provided by the Executive Secretariat, the Commission is satisfied that the Executive Secretariat has made reasonable efforts to notify the claimed properties, the persons who may be currently occupying the properties, and any other persons who may have a legal interest in such properties, as required by section 10.1 of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079. In cases where the claimed property was not physically notified, the Commission's decision is without prejudice to the right of any party affected by the Commission's decision to appeal against such decision pursuant to section 10.3 of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079, as determined by the Supreme Court of Kosovo. Accordingly these claims must be considered uncontested.

11. In the claims identified in parts A, B, C, D, and E of the attached Schedule, the Commission notes that the claimants have submitted various types of documents in support of the claims, including possession lists, contracts on lifelong care, inheritance decisions, court decisions recognizing ownership, administrative decisions and certificates of immovable property rights. The Commission is satisfied that final court decisions and certificates of immovable property rights confirming an ownership interest indeed constitute proof of ownership. The other documents submitted by claimants, including possession lists and contracts involving property transactions create a rebuttable presumption of ownership. The claims covered by

this decision are uncontested and no evidence has been received or obtained by the Secretariat *ex officio* that would rebut the presumption of ownership. Consequently the Commission is satisfied that the documents submitted prove the claimants' ownership over the claimed properties. The documents have been verified as being valid by the Executive Secretariat, as relevant. Many claimants have also submitted additional supporting documents, including tax decisions, witness statements, copies of plans and cadastral decisions.

12. In the 300 claims identified in part A of the attached Schedule, the claimants have filed the claim in the capacity of the property right holder. In light of the Commission's findings in paragraph 11 above, all of these claims stand to be granted.

13. In the 143 claims identified in part B of the attached Schedule, the claimants have filed the claim in the capacity of a family household member of the property right holder pursuant to section 1.2 of Annex II of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079. Section 1 of the UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079 defines "Member of Family Household" to include "the spouse, children (born in and out of wedlock or adopted) and other persons whom the property right holder is obliged to support in accordance with the applicable law, or the persons who are obliged to support the property right holder in accordance with the applicable law, regardless of whether or not that person resided in the property together with the property right holder." The Commission has determined that, under the applicable law, this definition covers, in addition to spouses and children, parents, brothers, sisters, grandparents, grandchildren, great-grandparents and great-grandchildren of the property right holder. All of the claimants in the claims identified in part B of the attached Schedule fall within the definition of family household member. Accordingly a decision confirming the property right in favour of the property right holder stands to be granted in each of the claims identified in part B of the attached Schedule, as set out above. In the claims identified in the relevant column of part B of the Schedule, the claimant alleges that the property right holder has died but no acceptable evidence has been submitted by the claimant that would establish death, nor has the Executive Secretariat been able to locate any such documents. Accordingly a decision confirming the property right in favour of the property right holder also stands to be granted in each of these claims, as set out above. The Commission notes that in Claim No. 08687 an unlawful commercial structure has been built on the claimed property. The Claimant requests the demolition of the new structure in the event that the current occupants will not agree to purchase the claimed property from the property right holder. In the circumstances, the Commission does not consider it appropriate to order demolition of the unlawful structure. The Commission notes that, pursuant to section 22.3 of UNMIK/Administrative Direction /2007/5 as amended by Law 03/L-079, the Executive Secretariat may, in coordination with the Chairperson of the Commission or the Presiding Judge of the Supreme Court panel respectively, delay the execution of an eviction order for a reasonable period of time when it considers that circumstances so warrant. The Executive Secretariat may consider exercising its authority in the present case, in order to allow an amicable resolution of the dispute.

14. In the 22 claims identified in part C of the attached Schedule, the property right holder is represented by an authorized natural person. The Commission has determined that the authorized individual possesses a valid and duly executed power of attorney pursuant to section 5.2 of UNMIK/ADM/DIR/2007/5 as adopted by Law

No. 03/L-079. Accordingly a decision confirming the property right in favour of the property right holder stands to be granted in these claims.

15. In the 221 claims identified in part D of the attached Schedule, the claimant or the current property right holder, as the case may be, was not the property right holder at the date of loss of possession of the claimed property, but has adduced evidence of having subsequently succeeded to the respective ownership right by virtue of inheritance, contract on gift or purchase contract, as the case may be. The claimant or the current property right holder, as the case may be, must be considered as having succeeded to all the rights belonging to an owner whether as a co-owner or a sole owner of the property pursuant to the verified document that proves such succession and that specifies the ideal part of the claimed parcel. The succession includes the right to claim for confirmation of ownership or co-ownership as the case may be, and for repossession in the present proceedings. These claims therefore stand to be granted, as set out above. In the claims identified in the relevant column of this part D of the Schedule, the claims have been filed either by a family household member or by an authorized representative acting on behalf of the property right holder. The Commission determines that the claimants in these cases are either family household members of the current property right holder within the meaning of section 1 of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079 or are current property right holders who have authorized representatives pursuant to a valid and duly executed power of attorney pursuant to section 5.2 of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079, to bring a claim on their behalf.

16. In the 223 claims identified in part E of the attached Schedule, the claimant was not the property right holder at the date of loss of possession of the claimed property but asserts to having succeeded to the property right. In each of these claims the claimant has established that she or he is a family household member of the deceased property right holder. However, no valid inheritance decision or other documentary evidence has been submitted by the claimants that would establish any of the claimants as being an heir to the claimed property, nor has the Executive Secretariat been able to locate any such documents. Some claimants have submitted as evidence "inheritance decisions" purportedly issued by parallel courts in Serbia. The Commission does not consider that such documents establish entitlement to inheritance. The Commission itself has no jurisdiction to resolve issues relating to inheritance. Accordingly a decision confirming the property right in favour of the deceased property right holder stands to be granted in each of these cases, as set out above. In Claim Nos. 30559 and 44902, filed by two different grandchildren in their capacity as family house member of the same deceased property right holder submitted an ownership claim over the same property. The Commission notes that it has already decided in Claim No. 90404, resolved by the Commission's decision KPCC/D/A/121/2011 dated 7 September 2011, in favour of the same deceased property right holder over the same property. Claim No. 90404 was submitted by a further, third grandchild of the deceased property right holder, also in the capacity as family house member. The Commission considers that its previous decision does not preclude the Commission from deciding again over the same property in favour of the same deceased property right holder as each family house member has his own and independent legal right to submit a claim seeking repossession and confirmation of the ownership right of the respective property right holder conferred by section 5.2 of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079. The Commission may also make an order for possession in favour of the family household member pursuant to section 8.5 of Annex III of UNMIK/ADM/DIR/2007/5 as adopted by Law No.

03/L-079, which indicates that a family household member has his or her own legal interest in the subject matter of the claim and is not merely a representative of the property right holder. Consequently Claim Nos. 30559 and 44902 stand to be granted as set out above. The Commission's decision in respect of Claim Nos. 30599 and 44902 was taken by majority vote. One Commissioner is of the view that the Commission's earlier decision dated 7 September 2011 constitutes a *res judicata* and that accordingly the Commission cannot make a further decision concerning the same property. The Commission's decision with respect to all of the claims identified in this part E of the attached Schedule is without prejudice to the determination by the competent court as to how the heirs will succeed to the property right of the deceased. In the claims identified in the relevant column of this part E of the attached Schedule, the family household member of the deceased property right holder is represented by an authorized natural person with a power of attorney. The Commission has determined that in each of these claims the authorized natural person possesses a valid and duly executed power of attorney from the family household member of the deceased property right holder pursuant to section 5.2 of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079. Accordingly a decision confirming the property right in favour of the deceased property right holder stands to be granted in each of these cases.

17. The Commission is satisfied, on the basis of the evidence before it, that the loss of property right occurred in circumstances directly related to or resulting from the armed conflict that occurred in Kosovo between 27 February 1998 and 20 June 1999, as required by section 3 of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079.

\*\*\*\*

18. The various types of documents relied upon by the claimants in support of the claims referred to above are listed in the relevant column of parts A, B, C, D, and E

19. In a number of claims the claimant or the property right holder, as the case may be, left the property outside the period 27 February 1998 and 20 June 1999, referred to in section 3 of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079. The Commission has determined that, even though the date of loss in these claims fell outside the above period, the loss of property right in each case occurred in circumstances directly related to or resulting from the armed conflict that occurred in Kosovo between 27 February 1998 and 20 June 1999, as required by section 3 of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079.

20. In the claims identified in the respective column in the attached Schedule, the claimant seeks confirmation of an ownership right over the claimed property without an eviction order as permission has been granted to a named individual to use the claimed property. In these circumstances, an order confirming the property right in favour of the claimant stands to be granted, without any other form of ancillary relief, as set out above.

21. In view of the foregoing, the Commission is satisfied, based on the evidence before it, that in each of the claims covered by the present decision:

- (a) the claimant or the property right holder, as the case may be, had an ownership in respect of the claimed property, or such part thereof as specified in the respective individual decision;
- (b) the claim is uncontested in that no person has contested the validity of the claim;
- (c) the claimant or the property right holder, as the case may be, in each case is not now able to exercise his or her ownership or use right; and
- (d) the claim in each case involves circumstances directly related to or resulting from the armed conflict that occurred in Kosovo between 27 February 1998 and 20 June 1999.

*B. Claims for compensation*

22. In the claims identified in the relevant columns of parts A, B, C, D and E of the attached Schedule, the claimants also seek, in addition to ownership, compensation for physical damage to, or for loss of use of, the claimed property. Under UNMIK/REG/2006/50 as adopted by Law No. 03/L-079 the Commission has no jurisdiction over such claims. Accordingly these claims must be dismissed.

*C. Concluding remarks*

23. In view of the foregoing, the Commission finds that the claims listed in parts A, B, C, D, and E of the attached Schedule succeed and directs that an order be made in respect of each claim as set out above.

24. In a number of claims, the claimant had filed a claim for repossession of the same property with the Housing and Property Directorate, which claim had subsequently been granted by the Housing and Property Claims Commission ("HPCC"). The Commission notes that the causes of action available for claimants before the present Commission and the HPCC, respectively, and accordingly the jurisdiction of the two Commissions, are not identical. Accordingly the decisions of the HPCC do not necessarily constitute *res judicata* before the present Commission, although in certain circumstances this may be the case. Moreover, in cases where the HPCC granted an eviction order in favour of the claimant, the Commission does not consider that such an order constitutes a bar for this Commission to issue a fresh eviction order in cases where the property is unlawfully occupied.

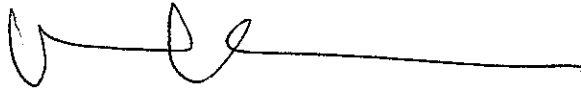

25. The Commission's above decisions and order also apply, where appropriate, to any associated property, *i.e.* any buildings or other constructions owned or used by the claimant or the property right holder, as the case may be, which form a unit with the claimed property.

26. Pursuant to section 8.5 of Annex III of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079, the Commission may in its decision determine any property right in the name of the property right holder and make an order for possession in favour of the claimant. When the property right holder is alive, the Commission grants the right of possession in the name of the property right holder. When the property right holder is deceased and the death is proven but no valid inheritance decision has been provided, the Commission grants possession to the claimant as a family household member of the

property right holder. In cases where the property right holder dies after filing the claim and there is no family household member claimant, the Commission grants the right to possession in the name of deceased property right holder. The right to possession is granted pursuant to the applicable provisions of the law governing family relations in Kosovo, which includes the administration of family property, as well as by reference to the applicable law on inheritance. The Commission's decision on the entitlement to possession by the family household member claimant is without prejudice to the rights of other family household members or heirs of the property right holder who have not filed claims with the KPA but who may have a joint right to possession pursuant to the applicable law or as a consequence of future inheritance proceedings (section 8.5 of Annex III of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079).

27. Section 8.8 of Annex III of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079 allows the Chairperson of the Commission to sign a cover decision approving all individual claims identified in the cover decision, if the number of claims decided in a session is high. The Commission considers that this is appropriate in the present case.
