### **LEGAL FRAMEWORK**

1. On 13 June 2008, Law No. 03/L-079 adopting and amending UNMIK Regulation 2006/50 ("UNMIK/REG/2006/50") on the resolution of claims relating to private immovable property, including agricultural and commercial property entered into force in Kosovo. The Law included an annex ("Annex I") adopting and amending UNMIK Administrative Direction No. 2007/5 ("UNMIK/ADM/DIR/2007/5"), which implements UNMIK/REG/2006/50. Law No. 03/L-079 and Annex I established the Kosovo Property Agency ("KPA") as an independent agency and amended certain provisions of UNMIK/REG/2006/50 and UNMIK/ADM/DIR/2007/5 as necessary to effect the change in the applicable legal framework. In accordance with their terms, Law No. 03/L-079 and Annex I entered into force upon their publication in the Official Gazette.
2. Pursuant to section 22 of UNMIK/REG/2006/50 the Regulation ceased to be in force after 31 December 2008. Accordingly, Law No. 03/L-079 is presently the sole source of the Commission's statutory authority. The provisions of UNMIK/REG/2006/50 remain relevant to the extent that they have been incorporated by reference to Law No. 03/L-079.

### **REASONS FOR THE DECISION**

3. A claimant or the property right holder, as the case may be, is entitled to an order from the Commission for repossession of the property, if the claimant proves:
  - (a) ownership of private immovable property, including agricultural and commercial property; or
  - (b) a use right in respect of private immovable property, including agricultural and commercial property,

where the claimant or the property right holder, as the case may be, is not now able to exercise such property rights, and where the claim involves circumstances directly related to or resulting from the armed conflict that occurred in Kosovo between 27 February

1998 and 20 June 1999. (See section 3.1 of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079.)

4. Where the claimant makes an ownership claim pursuant to section 3.1(a) of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079, the Commission must resolve the issue of ownership and, if ownership is proven to the satisfaction of the Commission and the claimant does not indicate otherwise, make an order for repossession in favour of the claimant or the property right holder, as the case may be. Where the claimant makes a claim for a property use right pursuant to section 3.1(b) of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079, the Commission may consider the claim in a summary procedure and make an order for recovery of possession. (See section 3.1 of UNMIK/REG/2006/50 read together with section 9 of Annex III of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079.)<sup>1</sup>

5. The Commission held its twentieth session on 7 December 2010 by way of a telephone conference. A total of 929 agricultural property claims were submitted by the Executive Secretariat of the KPA (the "Executive Secretariat") to the Commission at its twentieth session, together with supporting documentation, claims processing reports, verification reports, legal memoranda and other relevant information.

6. A total of 174 of the 929 claims presented to the Commission at its twentieth session had not previously been considered by the Commission, while 755 of the claims were the subject of an earlier Commission decision. However the earlier decisions in these claims had been overturned by the Commission on account of an incorrect notification of the claimed properties during claims processing by the Executive Secretariat. These claims consequently stand to be re-determined following correct notification of the claimed property and taking into account the information provided by any respondents to the claim or any current occupants of the properties. In the claims in which previous decisions have been overturned by the Commission, the Executive Secretariat has written to each claimant advising them of the notification error and informing them that their claims will be re-determined following correct notification of the claimed property. The claimants, as well as the relevant cadastral authorities, have been advised that the previous Commission decisions are invalid and cannot be used for the purposes of any legal transaction.

7. At the Commission's twentieth session, the Executive Secretariat presented the claims to the Commission and reported on the processing of and the legal and evidentiary issues raised by the claims. At the Commission's request, the Executive Secretariat provided additional information and explanations, as required.

<sup>1</sup> There appears to be a technical error in Annex I. While Annex I clearly appears to be intended to replace UNMIK/ADM/DIR/2007/5 in its entirety, including its all three annexes, Article 26 of Annex I provides that the title of Annex III of UNMIK/ADM/DIR/2007/5 shall be replaced by a title referring to Annex II. However, there is neither specific provision nor any other indication in Law 03/L-079 or its Annexes that the intention of this particular amendment was to delete Annex I or Annex II of UNMIK/ADM/DIR/2007/5. Accordingly the Commission considers that all three Annexes of UNMIK/ADM/DIR/2007/5 are included in the legislative package and will be referred to by the Commission in this decision as Sub-Annexes I, II and III, respectively.

*A. Ownership claims*

8. In all of the claims covered by the present decision, the claimants seek the resolution of an ownership claim, and all of them relate to agricultural properties, including agricultural land, pasture and forests.

9. The present decision deals with the 865 agricultural property claims which are listed in parts A, B, C, D and E of the attached Schedule. Based on its review of the claims and of the supporting documentation during the session, and of the information provided and the verification conducted by the Executive Secretariat, a total of five agricultural claims were referred by the Commission back to the Executive Secretariat for additional review and verification, or were withdrawn by the Executive Secretariat. These claims, which are listed in part F ("Claims referred back") and part G ("Claims withdrawn") of the attached Schedule to this decision will be considered by the Commission in due course. The remaining 59 claims for agricultural property dealt with by the Commission during the session are covered by two other decisions, namely decision KPCC/D/A/98/2010 and decision KPCC/D/A/99/2010.

10. The Commission notes that all of the claims listed in parts A, B, C, D and E of the attached Schedule are uncontested in the sense that at the time the claimed properties were notified there was no evidence of illegal occupation, use or cultivation of these properties by any person or, even if there was such evidence, no party has contested the validity of the claim within the 30-day period prescribed in section 10.2 of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079, or at any later stage during the proceedings, pursuant to section 10.3 of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079. Seven hundred and fifty five claims covered by this decision concern claims which were initially incorrectly notified by the Executive Secretariat and in which decisions were subsequently made by the Commission in reliance upon those notifications. Decisions taken in such claims have been overturned by the Commission to ensure correct notification of the property and provide any persons who may have a legal interest in the property with an opportunity to respond to the claim pursuant to section 10.1 of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079. These claims are identified in the relevant columns in parts A, B, C, D and E of the Schedule to this decision. The Executive Secretariat has notified claims in a variety of ways including through the physical notification of the property and/or through notification of the property via publication in gazette and newspapers, through local municipal authorities, municipal courts, local village leaders and through other relevant institutions in Kosovo and Serbia. In a number of claims covered by this decision, the local villagers were uncooperative in connection with the physical notification of the claimed property by the staff of the Executive Secretariat. In such circumstances the claimed properties were notified through notices placed with the local municipal authorities and municipal courts. Based on the information provided by the Executive Secretariat, the Commission is satisfied that the Executive Secretariat has made reasonable efforts to notify the claimed properties, the persons who may be currently occupying the properties, and any other persons who may have a legal interest in such properties, as required by section 10.1 of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079. Accordingly these claims must be considered uncontested.

11. In the claims identified in parts A, B, C, D and E of the attached Schedule, the Commission notes that the claimants have submitted various types of documents in support of the ownership claims, including possession lists, purchase contracts, contracts on gift, contracts on division of property, inheritance decisions, court decisions recognizing ownership, contracts on long life care and certificates of immovable property rights. The Commission is satisfied that final court decisions and certificates of immoveable property rights confirming an ownership interest indeed constitute proof of ownership. The other documents submitted by claimants, including possession lists and contracts involving property transactions, create a rebuttable presumption of ownership. The claims covered by this decision are uncontested and no evidence has been received or obtained by the Secretariat *ex officio* that would rebut the presumption of ownership. Consequently the Commission is satisfied that the documents submitted prove the claimants' ownership over the claimed properties. The documents have been verified as being valid by the Executive Secretariat, as relevant. Many claimants have also submitted additional supporting documents, including tax decisions, witness statements, copies of plans and cadastral decisions.

12. In the 326 claims identified in part A of the attached Schedule, the claimants have filed the claim in the capacity of a property right holder. In light of the Commission's findings in paragraph 11 above, all of these claims stand to be granted.

13. In the 141 claims identified in part B of the attached Schedule, the claimants have filed the claim in the capacity of a family household member of the property right holder pursuant to section 1.2 of Annex II of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079. Section 1 of the Administrative Direction as adopted by Law No. 03/L-079 defines "Member of Family Household" to include "the spouse, children (born in and out of wedlock or adopted) and other persons whom the property right holder is obliged to support in accordance with the applicable law, or the persons who are obliged to support the property right holder in accordance with the applicable law, regardless of whether or not that person resided in the property together with the property right holder." The Commission has determined that, under the applicable law, this definition covers, in addition to spouses and children, parents, brothers, sisters, grandparents, grandchildren, great-grandparents and great-grandchildren of the property right holder. All of the claimants in the claims identified in part B of the attached Schedule fall within the definition of family household member. Accordingly a decision confirming the property right in favour of the property right holder stands to be granted in each of the claims identified in part B of the attached Schedule, as set out above. In Claim Nos. 53158, 53159, 53160 and 53161, the Claimant, Bosko Guberinic, is the brother of the property right holder, Ranko Guberinic, and has submitted the claims on behalf of his brother. Ranko Guberinic has submitted a separate claim over the property in his own name as property right holder, namely Claim No. 17975. In such circumstances the Commission confirms the ownership interest of the property right holder and consolidates all of these claims for the purpose of the effective implementation of the Commission's decision. In the claims identified in the relevant column of part B of the Schedule, the claimant alleges that the property right holder has died but no acceptable evidence has been submitted by the claimant that would establish death, nor has the Executive Secretariat been able to locate any such documents. Accordingly a decision confirming the property

right in favour of the property right holder also stands to be granted in each of these claims, as set out above.

14. In the five claims listed in part C of the attached Schedule, the property right holder is represented by an authorized natural person. The Commission has determined that the authorized individual possesses a valid and duly executed power of attorney pursuant to section 5.2 of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079. Accordingly a decision confirming the property right in favour of the property right holder stands to be granted in these claims.

15. In the 71 claims identified in part D of the attached Schedule, the claimant or the current property right holder, as the case may be, was not the property right holder at the date of loss of possession of the claimed property, but has adduced evidence of having subsequently succeeded to the respective ownership right by virtue of inheritance, contract on gift or purchase contract, as the case may be. The claimant or the current property right holder, as the case may be, must be considered as having succeeded to all the rights belonging to an owner whether as a co-owner or a sole owner of the property pursuant to the verified document that proves such succession specified in ideal part of the claimed parcel, including the right to claim for confirmation of ownership or co-ownership as the case may be, and for repossession in the present proceedings. These claims therefore stand to be granted, as set out above. In the claims identified in the relevant column of this part D of the Schedule, the claims have been filed either by a family household member or by an authorized representative acting on behalf of the property right holder. The Commission determines that the claimants in these cases are either family household members of the current property right holder within the meaning of section 1 of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079 or are current property right holders who have authorized representatives pursuant to a valid and duly executed power of attorney pursuant to section 5.2 of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079, to bring a claim on their behalf.

16. In the 322 claims identified in part E of the attached Schedule, the claimant was not the property right holder at the date of loss of possession of the claimed property but asserts to having succeeded to the property right. In each of these claims the claimant has established that she or he is a family household member of the deceased property right holder. However, no valid inheritance decision or other documentary evidence has been submitted by the claimants that would establish any of the claimants as being an heir to the claimed property, nor has the Executive Secretariat been able to locate any such documents. Some claimants, such as the Claimant in Claim No. 19348, have submitted as evidence "inheritance decisions" purportedly issued by parallel courts in Serbia. The Commission does not consider that such documents establish entitlement to inheritance. The Commission itself has no jurisdiction to resolve issues relating to inheritance. Accordingly a decision confirming the property right in favour of the deceased property right holder stands to be granted in each of these cases, as set out above. The Commission's decision with respect to all of the claims identified in this part E of the attached Schedule is without prejudice to the determination by the competent court as to how the heirs will succeed to the property right of the deceased. In the claims identified in the relevant column of this part E of the attached Schedule, the family household member of the deceased property right holder is represented by an authorized natural

person with a power of attorney. The Commission has determined that in each of these claims the authorized natural person possesses a valid and duly executed power of attorney from the family household member of the deceased property right holder pursuant to section 5.2 of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079. Accordingly a decision confirming the property right in favour of the deceased property right holder stands to be granted in each of these cases.

17. The various types of documents relied upon by the claimants in support of the claims referred to in paragraphs 12 to 16 above are listed in the relevant column of parts A, B, C, D and E of the attached Schedule.

18. In a number of claims the claimants or the property right holders, as the case may be, left the property outside the period 27 February 1998 and 20 June 1999, referred to in section 3 of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079. The Commission has determined that, even though the date of loss in these claims fell outside the above period, the loss of property right in each case occurred in circumstances directly related to or resulting from the armed conflict that occurred in Kosovo between 27 February 1998 and 20 June 1999, as required by section 3 of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079.

19. In some cases a claimant has died after filing the claim. The Commission considers that a claimant's death during the proceedings cannot affect the validity of the claim. Accordingly a decision confirming the property right in favour of the property right holder therefore stands to be granted, as set out above. This decision is without prejudice to the determination by the competent court as to how the heirs will succeed to the property right of the deceased.

20. In view of the foregoing, the Commission is satisfied, based on the evidence before it, that:

- (a) the claimant or the property right holder, as the case may be, had an ownership right in respect of the claimed property, or such part thereof as specified in the respective individual decision;
- (b) each claim is uncontested in that no person has contested the validity of the claim;
- (c) the claimant or the property right holder, as the case may be, in each case is not now able to exercise his or her ownership right; and
- (d) the claim in each case involves circumstances directly related to or resulting from the armed conflict that occurred in Kosovo between 27 February 1998 and 20 June 1999.

*B. Claims for compensation*

21. In the claims identified in the relevant columns of parts A, B, C, D and E of the attached Schedule, the claimants also seek, in addition to ownership, compensation for

physical damage to, or for loss of use of, the claimed property. Under UNMIK/REG/2006/50 as adopted by Law No. 03/L-079 the Commission has no jurisdiction over such claims. Accordingly these claims must be dismissed. In Claim No. 90450 the Claimant has filed a claim for compensation with the local courts, not with the Commission. The local court has ruled that it is not competent to deal with the issue of compensation and has forwarded the Claimant's appeal against the court's decision to the KPA. Whilst the Commission has competence to determine the question of conflict-related property ownership, it has no jurisdiction over the separate issue of compensation. Hence the Commission considers the local courts to be the appropriate forum for such claims.

C. *Concluding remarks*

22. In view of the foregoing, the Commission finds that the claims listed in parts A, B, C, D and E of the attached Schedule succeed and directs that an order be made in respect of each claim as set out above.

23. In a number of claims, the claimant had filed a claim for repossession of the same property with the Housing and Property Directorate, which claim had subsequently been granted by the Housing and Property Claims Commission ("HPCC"). The Commission notes that the causes of action available for claimants before the present Commission and HPCC, respectively, and accordingly the jurisdiction of the two Commissions, are not identical. Accordingly the decisions of HPCC do not necessarily constitute *res judicata* before the present Commission, although in certain circumstances this may be the case. Moreover, in cases where HPCC granted an eviction order in favour of the claimant, the Commission does not consider that such an order constitutes a bar for this Commission to issue a fresh eviction order in cases where the property is unlawfully occupied.

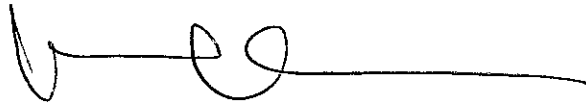

24. The Commission's above decisions and order also apply, where appropriate, to any associated property, *i.e.* any buildings or other constructions owned or used by the claimant or the property right holder, as the case may be, which form a unit with the claimed property.

25. Pursuant to section 8.5 of Annex III of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079, the Commission may in its decision determine any property right in the name of the property right holder and make an order for possession in favour of the claimant. When the property right holder is alive, the Commission grants the right of possession in the name of the property right holder. When the property right holder is deceased and the death is proven but no valid inheritance decision has been provided, the Commission grants possession to the claimant as a family household member of the property right holder. The right to possession is granted pursuant to the applicable provisions of the law governing family relations in Kosovo, which includes the administration of family property, as well as by reference to the applicable law on inheritance. The Commission's decision on the entitlement to possession by the family household member claimant is without prejudice to the rights of other family household members or heirs of the property right holder who have not filed claims with the KPA but who may have a joint right to possession pursuant to the applicable law or as a

consequence of future inheritance proceedings (section 8.5 of Annex III of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079).

26. Section 8.8 of Annex III of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079 allow the Chairperson of the Commission to sign a cover decision approving all individual claims identified in the cover decision, if the number of claims decided in a session is high. The Commission considers that this is appropriate in the present case.
