LEGAL FRAMEWORK

1. On 13 June 2008, the Assembly of the Republic of Kosovo (the “Assembly”) enacted Law No. 03/L-079 adopting and amending UNMIK Regulation 2006/50 (“UNMIK/REG/2006/50”) on the resolution of claims relating to private immovable property, including agricultural and commercial property. The Law included an annex (“Annex I”) adopting and amending UNMIK Administrative Direction No. 2007/5 (“UNMIK/ADM/DIR/2007/5”), which implements UNMIK/REG/2006/50. Law No. 03/L-079 and Annex I established the Kosovo Property Agency (“KPA”) as an independent agency under Article 142 of the Kosovo Constitution and amended certain provisions of UNMIK/REG/2006/50 and UNMIK/ADM/DIR/2007/5 as necessary to effect the change in the applicable legal framework. In accordance with their terms, Law No. 03/L-079 and Annex I entered into force upon their publication in the Official Gazette of the Republic of Kosovo.

2. Pursuant to section 22 of UNMIK/REG/2006/50 the Regulation ceased to be in force after 31 December 2008. Accordingly, Law No. 03/L-079 is presently the sole source of the Commission’s statutory authority. The provisions of UNMIK/REG/2006/50 remain relevant to the extent that they have been incorporated by reference to Law No. 03/L-079.

3. Pursuant to Article 10 of Law No. 03/L-079, which amended section 7.1 of UNMIK/REG/2006/50, the Property Claims Commission (the “Commission”) shall be appointed by the Assembly upon nomination by the President of the Supreme Court, with the proviso that until the end of international supervision of the implementation of the Comprehensive Proposal for the Kosovo Status Settlement of 26 March 2007, two of the three members, including its Chairperson, shall be appointed by the International Civilian Representative. The two international members of the Commission were appointed by the International Civilian Representative by decision dated 6 March 2009. The national Commissioner was appointed by decision of the Assembly dated 12 March 2009.

4. In light of the above, the Commission considers that it is duly constituted and competent to continue to exercise its functions pursuant to Law No. 03/L-079 and the relevant implementing directions and legislation.

REASONS FOR THE DECISION

5. A claimant or the property right holder, as the case may be, is entitled to an order from the Commission for repossession of the property, if the claimant proves:

- (a) ownership of private immovable property, including agricultural and commercial property; or
- (b) a use right in respect of private immovable property, including agricultural and commercial property,

where the claimant or the property right holder, as the case may be, is not now able to exercise such property rights, and where the claim involves circumstances directly related to or resulting from the armed conflict that occurred in Kosovo between 27 February 1998 and 20 June 1999. (See section 3.1 of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079.)

6. Where the claimant makes an ownership claim pursuant to section 3.1(a) of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079, the Commission must resolve the issue of ownership and, if ownership is proven to the satisfaction of the Commission and the claimant does not indicate otherwise, make an order for repossession in favour of the claimant or the property right holder, as the case may be. Where the claimant makes a claim for a property use right pursuant to section 3.1(b) of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079, the Commission may consider the claim in a summary procedure and make an order for recovery of possession. (See section 3.1 of UNMIK/REG/2006/50 read together with section 9 of Annex III of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079.)¹

7. The Commission held its twelfth session from 8 to 11 June 2009 in Prishtinë/Prishtina. A total of 149 residential property claims were submitted by the Executive Secretariat of the KPA (“the Executive Secretariat”) to the Commission at its twelfth session, together with supporting documentation, claims processing reports, verification reports, legal memoranda and other relevant information.

8. At the Commission’s session, the Executive Secretariat presented the claims to the Commission and reported on the processing of and the legal and evidentiary issues

¹ There appears to be a technical error in Annex I. While Annex I clearly appears to be intended to replace UNMIK/ADM/DIR/2007/5 in its entirety, including its all three annexes, Article 26 of Annex I provides that the title of Annex III of UNMIK/ADM/DIR/2007/5 shall be replaced by a title referring to Annex II. However, there is neither specific provision nor any other indication in Law 03/L-079 or its Annexes that the intention of this particular amendment was to delete Annex I or Annex II of UNMIK/ADM/DIR/2007/5. Accordingly the Commission considers that all three Annexes of UNMIK/ADM/DIR/2007/5 are included in the legislative package and will be referred to by the Commission in this decision as Sub-Annexes I, II and III, respectively.

raised by the claims. At the Commission's request, the Executive Secretariat provided additional information and explanations, as required.

A. Ownership claims

9. In all of the claims covered by the present decision the claimants seek the resolution of an ownership claim, and all of them relate to residential properties, including the associated land. The present decision deals with claims for residential properties which, at the time of their notification, were found to be entirely destroyed. Claims for residential properties which were not destroyed are covered by another decision (KPCC/D/R/46/2009).

10. The present decision applies to the 112 claims which are listed in parts A, B, C and D of the attached Schedule. An additional 34 claims for residential properties are covered by decision KPCC/D/R/46/2009, which deals with claims for properties that are not destroyed. Decision KPCC/D/R/48/2009 deals with the one residential property claim that the Commission resolved to dismiss. Based on its review of the claims and of the supporting documentation, and of the information provided and the verification conducted by the Executive Secretariat, one claim was referred by the Commission back to the Executive Secretariat for additional review and verification during the session. During the session, one residential property claim was recategorized as an agricultural property claim and is dealt with in the Commission's decisions covering claims for agricultural property.

11. The Commission notes that all of the claims listed in parts A, B, C and D of the attached Schedule are uncontested in the sense that at the time the claimed properties were notified there was no evidence of illegal occupation, use or cultivation of these properties by any person or, even if there was such evidence, no party has contested the validity of the claim within the 30-day period prescribed in section 10.2 of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079, or at any later stage during the proceedings, pursuant to section 10.3 of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079. Based on the information provided by the Executive Secretariat, the Commission is satisfied that the Executive Secretariat has made reasonable efforts to notify the claimed properties, the persons who may be currently occupying the properties, and any other persons who may have a legal interest in such properties, as required by section 10.1 of UNMIK/REG/2006/50 and section 10.1 of Law No. 03/L-079. Accordingly these claims must be considered uncontested.

12. In the claims identified in parts A, B, C and D of the attached Schedule, the Commission notes that the claimants have submitted various types of documents in support of the ownership claims, including possession lists, purchase contracts, contracts on gift, contracts on division of property, inheritance decisions, court decisions recognizing ownership, contracts on long life care and certificates of immovable property rights. The Commission is satisfied that these documents indeed constitute proof of ownership. All of these relevant documents have been verified as being valid by the Executive Secretariat, as relevant. Many claimants have also submitted additional supporting documents, including tax decisions, witness statements, copies of plans and cadastral decisions.

13. In the 43 claims identified in part A of the attached Schedule, the claimant has filed the claim in the capacity of a property right holder. In light of the Commission's findings in paragraph 12 above, all of these claims stand to be granted. The Commission notes that in Claim No. 38805 all three houses that were located on the claimed property have been destroyed.

14. In the sixteen claims identified in part B of the attached Schedule, the claimants have filed claims in the capacity of a family household member of the property right holder pursuant to section 1.2 of Annex II of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079. Section 1 of the Administrative Direction as adopted by Law No. 03/L-079 define "Member of Family Household" to include "the spouse, children (born in and out of wedlock or adopted) and other persons whom the property right holder is obliged to support in accordance with the applicable law, or the persons who are obliged to support the property right holder in accordance with the applicable law, regardless of whether or not that person resided in the property together with the property right holder." The Commission has determined that, under the applicable law, this definition covers, in addition to spouses and children, parents, brothers, sisters, grandparents and grandchildren of the property right holder. All of the claimants in the claims identified in part B of the attached Schedule fall within the definition of family household member. Accordingly a decision confirming the property right in favour of the property right holder stands to be granted in each of the claims, as set out above.

15. In the thirteen claims identified in part C of the attached Schedule, the claimant or the current property right holder, as the case may be, was not the property right holder at the date of loss of possession of the claimed property, but has adduced evidence of having subsequently succeeded to the respective ownership right by virtue of inheritance, contract on gift or purchase contract, as the case may be. The claimant or the current property right holder, as the case may be, must be considered as having succeeded to all the rights belonging to an owner, including the right to claim for confirmation of ownership and for repossession in the present proceedings. These claims therefore stand to be granted, as set out above. In the claims identified in the relevant column of this part C of the Schedule, the claims have been filed either by a family household member or by an authorized representative acting on behalf of the property right holder. The Commission determines that the claimants in these cases are either family household members of the current property right holder within the meaning of section 1 of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079 or are current property right holders who have authorized representatives pursuant to a valid and duly executed power of attorney pursuant to section 5.2 of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079, to bring a claim on their behalf.

16. In the 40 claims identified in part D of the attached Schedule, the claimant was not the property right holder at the date of loss of possession of the claimed property but asserts to having succeeded to the property by virtue of inheritance. In each of these claims the claimant has established that she or he is a family household member of the deceased property right holder. However, no valid inheritance decision or other documentary evidence has been submitted by the claimants that would establish any of the claimants as being an heir to the claimed property, nor has the Executive Secretariat

been able to locate any such documents. Some claimants have submitted as evidence “inheritance decisions” purportedly issued by parallel courts in Serbia. The Commission does not consider that such documents establish entitlement to inheritance. The Commission has no jurisdiction to resolve issues relating to inheritance. A decision confirming the property right in favour of the deceased property right holder stands to be granted in these claims and each of the claims identified in part D of the attached Schedule, as set out above. The Commission’s decision with respect to all of the claims identified in this part D of the attached Schedule is without prejudice to the determination by the competent court as to how the heirs will succeed to the property right of the deceased.

17. The various types of documents relied upon by the claimants in support of the claims referred to in paragraphs 12, 13, 14, 15 and 16 above are listed in the relevant column of parts A, B, C and D of the attached Schedule.

18. In a number of claims the claimants or the property right holders, as the case may be, left the property outside the period 27 February 1998 and 20 June 1999, referred to in section 3 of UNMIK/REG/2006/50 as adopted by Law No. 03/L-079. The Commission has determined that, even though the date of loss in these claims fell outside the above period, the loss of property right in each case occurred in circumstances directly related to or resulting from the armed conflict that occurred in Kosovo between 27 February 1998 and 20 June 1999, as required by section 3 of UNMIK/REG/2006/50 and section 3 of Law No. 03/L-079.

19. In view of the foregoing, the Commission is satisfied, based on the evidence before it, that:

- (a) the claimant or the property right holder, as the case may be, had an ownership right in respect of the claimed property, or such part thereof as specified in the respective individual decision;
- (b) each claim is uncontested in that no person has contested the validity of the claim;
- (c) the claimant or the property right holder, as the case may be, in each case is not now able to exercise his or her ownership right; and
- (d) the claim in each case involves circumstances directly related to or resulting from the armed conflict that occurred in Kosovo between 27 February 1998 and 20 June 1999.

20. Accordingly the claimants or the property right holders, as the case may be, have shown that they satisfied the requirements for an order establishing ownership over the claimed property and the associated land parcel as at the date of destruction of the residential property. The fact that the property has been destroyed does not affect the claimants’ right to obtain a declaratory decision from the Commission, confirming, as at the date of destruction of the claimed property, the claimants’ ownership over such property.

B. Claims for compensation

21. In the claims identified in the relevant columns of parts A, B, C and D of the attached Schedule, the claimants also seek, in addition to ownership, compensation for physical damage to, or for loss of use of, the claimed property. Under UNMIK/REG/2006/50 as adopted by Law No. 03/L-079 the Commission has no jurisdiction over such claims. Accordingly these claims must be dismissed.

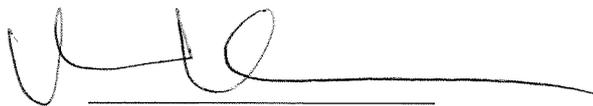

C. Concluding remarks

22. In view of the foregoing, the Commission finds that the claims listed in parts A, B, C and D of the attached Schedule succeed and an order be made in respect of each claim as set out above.

23. In a number of claims, the claimant had filed a claim for repossession of the same property with the Housing and Property Directorate, which claim had subsequently been granted by the Housing and Property Claims Commission (“HPCC”). The Commission notes that the causes of action available for claimants before the present Commission and HPCC, respectively, and accordingly the jurisdiction of the two Commissions, are not identical in that, unlike HPCC, the present Commission has jurisdiction to confirm ownership. Thus the decisions of HPCC do not constitute *res judicata* before the present Commission. Moreover, in cases where HPCC granted an eviction order in favour of the Claimant, the Commission does not consider that such an order constitutes a bar for this Commission to issue a fresh eviction order in cases where the property is unlawfully occupied.

24. The Commission’s above decisions and order also apply, where appropriate, to any associated property, *i.e.* any land or buildings owned or used by the claimant or the property right holder, as the case may be, which form a unit with the claimed residential property.

25. Section 8.8 of Annex III of UNMIK/ADM/DIR/2007/5 as adopted by Law No. 03/L-079 allow the Chairperson of the Commission to sign a cover decision approving all individual claims identified in the cover decision, if the number of claims decided in a session is high. The Commission considers that this is appropriate in the present case.
